

# TACTICAL HANDGUN COURSE

Sat Sep 3  
TACTICAL RANGE-BAY #6

So you finally got your concealed firearm permit, are you prepared mentally and physically to use it in a life-or-death situation? Carrying a firearm is one thing. Knowing how to effectively use it is another.

Home invasions are on the rise everywhere. When was the last time you trained with tactics on how to properly deploy your home defense/concealed firearm?

Can you draw and fire quickly enough? How would you engage multiple targets?

Are you ready to learn how to save your life and have fun while doing it?
